Field of Vision

Vision • Purpose • Mission • Core Values

Brothers Tony and Mike Munafo founded Prolink in Cincinnati, Ohio with just three employees in 2011. Both Tony and Mike's passion and dream of having their own business was impressed on them at an early age through their now-passed father, whose mantra was, "Work hard, take risks, and live each day having no regrets." The brothers have instilled those values into our team, and it's what the company lives by and strives for each day.

Core Values

Our clients, our talent, and our team are our chosen family.

FAMILY FIRST

Everything we do starts with the people we serve-our clients, our talent, our team. We consider them family because family is in our DNA.

START SMART

We are agile thinkers and strategic leaders. We understand that to serve our family, we must constantly evolve to make sure we move smart, fast and, most importantly, forward.

HERE WE GROW

To do right by the family, we have to grow the family. That means we set aggressive goals and we hold each other accountable to them always.

WHAT DOES THIS MEAN FOR YOU, OUR TALENT?

As family we listen to you and your needs, to make sure we're doing everything we can to provide you a world-class experience. Welcome to the Prolink family!

We want to set you up for success. So, we are constantly on the lookout for ways to improve to provide you with the best. We want every day to be better than the day before!

Core Values

Our clients, our talent, and our team are our chosen family.

LINKED BY EMPATHY

To grow with people, you have to get people. Deeply. That means feeling their pain and being vulnerable in return. We believe empathy is the foundation of meaningful relationships and we live it out every single day.

ENERGY POSITIVE

Growth requires a lot of energy, literally. Fortunately, we are powerhouses, which means we constantly rise to the challenge of serving our clients, our talent and our team with passion.

KEEP CALM & POWER ON

This one is simple. With the above in place, we power on. And on. And on. And on. And on.

WHAT DOES THIS MEAN FOR YOU, OUR TALENT?

We want to connect with you on a personal level and build meaningful relationships to offer you support. Share joys and celebrate together during the good time and partner together when things get hard. We're here for you!

We welcome your feedback on your experience from day one through the duration of your contracts with us. We strive to challenge ourselves on new and better ways to serve you. We would love to know how to improve your experience!

Regardless of the situation, know we're partners together and Prolink is here for you. We've got your back!
